## LEGEND

### Norm Dulaney Dulaney Auto & Truck Parts, Texas

At 91, Norm Dulaney, president and owner of Dulaney Auto & Truck Parts, Amarillo, Texas comes to work every day and is active in the industry.

“He works with the Texas Automotive Recyclers Association (TARA) on legislative issues and participates in things for the ARA Scholarship Foundation,” said daughter Linda Pitman.

From Dulaney’s many early accomplishments, founding the Texas Auto and Truck Parts Association, to the present, winning the 2008 Pioneer Man of the Plains award, he has never stopped influencing others, like Jannette Patke Tucker, Patke’s Auto Parts, Inc., Houston, Texas.

“His motivation has kept me going to improve not only my business, but the industry and myself. Norm is not only a legend, but also a hero.” ❧
